# SANCTUARY KICHAKANI SERENGETI CAMP

## LUXURY, NATURALLY

---

Adventure, enchantment and 'Luxury, naturally' - all delivered with a quiet, understated charm and understanding of place – is the guiding philosophy of Sanctuary Retreats and one of our traditional safari tented camps, Sanctuary Kichakani Serengeti Camp.

Sanctuary Kichakani Serengeti Camp offers year round migration viewing as it continuously follows the migration as it moves around the Serengeti. In 2019, Sanctuary Kichakani Serengeti Camp will be located in Southern Serengeti (7 January 2019 - 31 March 2019 and 30 November 2019 - 5 January 2020) and Northern Serengeti (1 June 2019 - 14 November 2019). With just ten luxury safari tents you will have the privilege to feel closer than ever to the action and live among the migration – as it happens. Join six million hooves crossing the open plains, with more than 200,000 zebras, 300,000 Thomson's gazelles and over a million wildebeests as they trek for fresh grazing.

## TANZANIA 10 TENTED ROOMS

---

Sanctuary Kichakani Serengeti Camp will move between three different locations, literally following the migration as it travels across the Serengeti, offering guests year round access to this incredible spectacle.

## ACCOMMODATION AND FACILITIES

---

Sanctuary Kichakani Serengeti Camp takes the traditional tented camping experience to new heights; and offers luxury traditional tented accommodation not seen elsewhere in the Serengeti. The small and intimate camp comprises of just 10 luxury safari tents, all with ensuite bathrooms with indoor bucket showers, king-size beds, and everything that makes a Sanctuary tented camp an authentic safari experience. All the tents also feature hairdryers, mosquito nets, in-room safes and a small sitting area in front of each of the tents where early morning coffee and biscuits can be enjoyed before starting the day of incredible game viewing. The large and comfortable communal tents provide a dining area where scrumptious meals are served, a lounge area perfect for afternoon relaxation, and lounge bar where pre-dinner drinks are served. All of the main areas include breath taking views of the spectacular surrounding scenery and large trees surrounding this intimate camp. Comfortable sofa spots are also set up around the camp to afford unique viewpoints. Electricity supply is a combination of silent packed generator and inverter battery system.

The camp is available on a shared basis however can be booked for exclusive use, in which case eight of the ten rooms need to be booked and paid for.

## GAME VIEWING AND ACTIVITIES

---

The famous wildebeest migration will pass through all three of our locations throughout the year. The Serengeti houses a huge variety of animals including leopards, lions, buffaloes, elephants, cheetah, Thomson's and Grant's gazelle, topi, eland, waterbuck, hyena, baboon, impala, African wild dog, and giraffe. The park also hosts about 500 bird species, such as ostrich, secretary bird, crowned crane, marabou stork, martial eagle, lovebirds, and many species of vultures. Key wildlife: lion, rhino, buffalo, elephant, leopard, wildebeest, and zebra.

**The following activities are included in your stay:**

**Game drives:** Sanctuary Kichakani Serengeti Camp offers guests the opportunity to experience the great migration all year round! Our experienced guides know every inch of the park where morning and afternoon game drives are focused on the migration and the other species and predators that come along with this incredible spectacle. Should you wish, we can arrange for a full day out in the bush on safari. The bird life is particularly good on the forest edge- where woodpeckers and brightly-coloured kingfishers can often be seen.

## HEALTH

---

Please should discuss health precautions for your travel itinerary with a qualified health professional at least six weeks before you depart. We advise all travellers to take precautions against malaria and we recommend speaking to your GP or personal physician four to six weeks before departure. Travellers from or through countries which have been declared yellow fever infected areas must provide an international health certificate of vaccination for yellow fever upon arrival into Tanzania.

---

## FAMILIES WITH CHILDREN

---

We welcome children 6 years and older Sanctuary Kichakani Serengeti Camp.

Children aged 15 years and younger are required to share with their parents. Triples are available on request.

## CLIMATE

---

Tanzania has a tropical climate which is mainly characterised by warm days and cool evenings. December to March is usually the warmest months of the year, while June to August are the coolest. April and May often see intermittent rains, and from September to November the days are warm with short scattered rains falling in November.

The best times to travel are December, January, February or late June to early October.

## CLOTHING

---

Clothing should be cool and comfortable. Greens, browns and khaki coloured clothing are advisable for safaris especially when doing a walking safari.

We suggest long sleeves and long trousers and for morning and evenings due to mosquitoes and a fleece jacket as it could be cold early mornings. Sturdy and comfortable shoes are essential. A complimentary overnight laundry service is offered in the camp.

Sunscreen, sunglasses and hats are essential. Binoculars and good cameras are an absolute must. The camp provides a torch as well as complimentary mosquito repellent and toiletries.
